Networking with the industry professionals, graduates and students. All participants. Participants will receive a certificate of participation after the conference. Attendees will receive a certificate of attendance after the conference. Summary and closing part for the conferenced.

**The Nordic/Baltic cuisine** has very old interesting history, traditions, recipes and methods. Nowadays the Culinary Arts involve old traditions, sustainability aspects, such as keeping cultural heritage and using local products, integration of the modern technologies, innovations and digitalisation, avoiding and minimising waste. We intend to strengthen **the ideology of NO LEFTOVERS** not only at the household and amateur level, but also at the professional level within the adult education programmes. The project partners will demonstrate the approaches to integrate the classy and modern traditional Nordic/Baltic Culinary Arts with mastery of NO LEFTOVERS at all levels of Culinary Arts in a detailed, creative, informative and inspirational way.
